RESPONDENT

CONSENT ORDER

A complaint having been filed against Respondent with the North Carolina Board of Licensed Professional Counselors, and after investigation, the Board having found probable cause to believe that respondent had violated a provision of the North Carolina Licensed Professional Counselor’s Act, Chapter 90 Article 24 of the North Carolina General Statues. Respondent does not admit any willful violation of the ACA Code of Ethics, or the above referenced Statute, but has agreed that it would serve the ends of justice that a Consent Order be entered which will resolve this matter without a formal hearing, and to that end, with the consent of all parties, the Board hereby enters the following Order:

IT IS, BY CONSENT, HEREBY ORDERED, ADJUDGED AND DECREED;

1. Respondent can continue to provide counseling services, but must do so under the following terms and conditions:

   A. Respondent will locate a supervisor who meets the Board’s requirements for an approved supervisor, and will submit the same to the Board for approval within 10 days of the date she signs this order.

   B. Once approved, Respondent will be working under supervision of 1 hour of supervision for every 40 hours of her clinical work. Respondent will be under this supervision for two months.

   C. The supervisor will report the supervision to the Board at the end of each month.
Respondent will share the charge letter with the Supervisor, and consent to the Supervisor sending in status reports to the Board. The Supervisor’s report should address how the Respondent deals with non-professional relationships with clients.

D. Respondent must complete 6 hours of continuing education in the specific areas of dual relationships/non-professional relationships with clients. These 6 hours are in addition to the hours required for license renewal. Respondent will send proof of completion of the courses to the Board office. Respondent has pre-selected courses that have been reviewed and approved by the Ethics committee.

E. Respondent must complete the educational requirements of this order within 6 months of the date of this Consent Order.

2. At the end of the two months of supervision, Respondent will draft a new response to the complaint and send it to the Board.

3. Once the letter referenced in paragraph 2 is received and the evidence of completion of the CLE is received, the Board will review the response, together with the two reports of the supervisor, and if the Board approves, the Respondent will be deemed compliant with these requirements and her license status would be in good standing, unrestricted.

4. Failure to complete the terms of this consent order within the time frames specified can lead to disciplinary action.

This 20th day of October 2008.
