Reketta Wright, LPC ^{RW} _{3/11}) CONSENT ORDER
RESPONDENT)

A complaint having been filed against Respondent with the North Carolina Board of Licensed Professional Counselors, and after investigation, the Board having found probable cause to believe that respondent had violated a provision of the North Carolina Licensed Professional Counselor's Act, Chapter 90 Article 24 of the North Carolina General Statues, specifically by falsely documenting clients contacts and services with three clients during employment at Beyond Expectations. On the advice of Respondent's attorney, Respondent choose not to discuss the facts of this case other than to say that she did make payment to her former employer, Beyond Expectations. The Respondent has agreed that it would serve the ends of justice that a Consent Order be entered which will resolve this matter without a formal hearing, and to that end, with the consent of all parties, the Board hereby enters the following Order:

IT IS, BY CONSENT, HEREBY ORDERED, ADJUDGED AND DECREED;

1. Respondent can continue to provide counseling services, but must do so under the following terms and conditions:

A. Respondent's license will be suspended for a period of six (6) months, to begin when the consent order is signed and dated by the Board chair. During this time, Respondent is to

locate a supervisor that meets the Board requirements and submit the supervisor's name to the Board for approval. The arrangements for supervision must be in place so that at the end of the six months of probation, supervision is in place in order for Respondent to commence counseling under supervision.

B. Respondent will be on a probationary status for twelve (12) months from the expiration of the six (6) months suspension, during which Respondent would be under supervision by a Board Approved Supervisor, who would supervise Respondent for two (2) hours per forty (40) hours of client contact. As an LPCA, Respondent already is getting one (1) hour of supervision per forty (40) hours of client contact, so this would be one additional hour of supervision. The Supervisor will make quarterly reports to the Board on or before the 15th day of the month after the end of the quarter. These reports should address any issues concerning documentation and billing.

C. Respondent shall obtain six (6) continuing education hours relating to documentation and six (6) hours in billing practices, in addition to the hours of continuing education required for renewal of licensure.

2. The Board retains jurisdiction over this matter. Respondent's non-compliance with this order can lead to further disciplinary action. Once Respondent has complied with this order, she will be in good standing, and no further actions taken on this complaint.

This 21 day of March 2011.
